

REPORT OF SUPERINTENDENT

GOOD EVENING. I WOULD LIKE TO TAKE THIS OPPORTUNITY TO WELCOME THOSE OF YOU IN ATTENDANCE AT TONIGHT'S BOARD OF EDUCATION MEETING.

1. School started on Wednesday, September 6th for the students and by all accounts, everything continues to run quite smoothly.
2. As of today, we have 25 students enrolled in the Pre-Kindergarten program. These numbers are inclusive of the pre-school disabled students. All parents have paid the first installment of the tuition.
3. There are 540 students registered in our Pre-K through Grade 8 programs as of today. We are still far below the capacity of this building should a large number of students ever register in the near future.
4. Our Back to School night for the elementary school students was held last Wednesday, September 14th at 7:00 p.m. As usual, the turnout was excellent. The middle school Back to School night is scheduled for tomorrow night, September 21st at 7:00 p.m. Items discussed included curriculum, technology and the Honeywell Emergency Management system.
5. We held our first school wide practice evacuation last week to an alternate site and I am again pleased to report that the entire drill ran very smoothly from start to finish.
6. We held the first of two School Bus Emergency Evacuation Drills last Friday, September 16, 2016. Items discussed included the students reviewing proper behavior, use of seat belts and ways of exiting the bus safely in case of an emergency.
7. Under the Harassment, Intimation, and Bullying Law, I as Superintendent am required to report to the Board of Education no later than the date of the next Board meeting results of investigations regarding HIB when those investigations have been completed. We had zero incidents investigated where it was determined that Harassment, Intimidation and/or Bullying occurred. So we are off to a great start that could of course change tomorrow.

Mrs. Lahullier so ends my report

Mrs. Hamilton asked if we have any mobility challenged students that were unable to do the stairs in an emergency.

Mr. Riveros commented that there are stair chairs that are designed for the stairs. He will get more information.

REPORT OF BUSINESS ADMINISTRATOR/BOARD SECRETARY

GOOD EVENING. I WOULD LIKE TO TAKE THIS OPPORTUNITY TO WELCOME THOSE OF YOU IN ATTENDANCE AT TONIGHT'S BOARD OF EDUCATION MEETING.

1. The Auditors are scheduled to arrive the week of October 3rd for the year end work.
2. I wanted to update the Board. We have a number of new preschool disabled children that require intensive programs and extensive therapies that we can't provide at this time. I have been discussing this with Ms. Silva and Mr. Kollinok because we always look to maintain these students in district.
3. The need no longer exists to purchase any landscaping materials for the back of the school. The DPW employees were able to beautify the area by cutting back shrubs, tearing out dead material and putting down black mulch at no cost to the district. I would like to thank Mr. Crifasi and the DPW for their excellent work and continued shared services.
4. The Carlstadt Recycling Committee is pleased to announce Community Shred Day. This free event will take place on Saturday, October 29th from 9-1.

Mrs. Lahullier so ends my report.
