

REPORT OF SUPERINTENDENT

GOOD EVENING. I WOULD LIKE TO TAKE THIS OPPORTUNITY TO WELCOME THOSE OF YOU IN ATTENDANCE AT TONIGHT'S BOARD OF EDUCATION MEETING.

1. The middle school Back to School night was held on September 21st at 7:00 p.m. Items discussed included curriculum, technology and the Honeywell Emergency Management system. We tried something new this year that had the parents going to three locations to hear from the core teachers at the 6th, 7th and 8th grade levels. Reports that I have received have been positive.
2. It seems hard to comprehend that we have already completed one month of school. By all accounts, things seem to be running quite smoothly. Drop off and pick up have improved and the Carlstadt Police are outside every day to assist with the process.
3. Last Friday, members of the Carlstadt Fire Department including Mr. Moore and Mr. Riveros again did an excellent job presenting important Fire Prevention information to the students and staff through assemblies and special activities. Much thanks to Mr. Moore, Mr. Riveros and the Fire Department for this extremely important and worthwhile presentation.
4. Superintendent am required to report to the Board of Education no later than the date of the next Board meeting results of investigations regarding HIB when those investigations have been completed. We had zero incidents investigated since the last BOE. Great news once again.

Mrs. Lahullier so ends my report.

REPORT OF BUSINESS ADMINISTRATOR/BOARD SECRETARY

GOOD EVENING. I WOULD LIKE TO TAKE THIS OPPORTUNITY TO WELCOME THOSE OF YOU IN ATTENDANCE AT TONIGHT'S BOARD OF EDUCATION MEETING.

1. Regarding lead testing in the school, Carlstadt in addition to several other South Bergen districts were proactive last year by having our water tested. Unfortunately, to the disappointment of all of us the State has now mandated a comprehensive lead in the water testing that would include the testing of every drinking water outlet in our building. I will keep the board updated regarding new info that might come our way.

2. I have had discussions with our architect, Robert Donahue, and he informed me that he will be coming to the school this week to do field measurement and verification.

Mrs. Lahullier so ends my report.

HEARING OF CITIZENS ON AGENDA ITEMS ONLY None

President closes hearing of citizens.
