REPORT OF SUPERINTENDENT

GOOD EVENING. I WOULD LIKE TO TAKE THIS OPPORTUNITY TO WELCOME THOSE OF YOU IN ATTENDANCE AT TONIGHT'S BOARD OF EDUCATION MEETING.

1. As of today, we have 27 students enrolled in the Pre-Kindergarten program. This number is not inclusive of the pre-school disabled students.
2. There are 536 students registered in our Pre-K through Grade 8 programs as of today. We are still far below the capacity of this building should a large number of students ever register in the near future.
3. As stated previously, the action plan for the 2019-2020 District Goals has been completed. Ms. Evans and myself will discuss the progress that we are making with each at several of our future meetings so we will have direction and the ability to both see and discuss that progress at various times throughout the year.
4. It seems hard to comprehend that we have already closing in on completing three months of school. By all accounts, things seem to be running quite smoothly. Drop off and pick up continue to improve and the Carlstadt Police are outside every day to assist with the process.
5. Mr. Riveros, Mr. Offreda, Mr. Christiano, three administrators and myself had the opportunity to attend the New Jersey School Boards Association workshop at the end of October. There were several worthwhile sessions and the opportunity to have discussions regarding both educational and legal matters.
6. The annual Halloween Festivities were held at the school on Halloween. And, as usual, the children did not disappoint and the parents turned out in very large numbers as the children paraded in Gym "B". In addition, the PTA sponsored Trunk or Treat was held on Friday, October 25th and the CPS a-glow was held on Thursday, October 24th. Much thanks to Mrs. Delgado and those in the PTA for Trunk or Treat and Mrs. Henderson, Mrs. Teller, Mrs. Milligan and their helpers at the CPS a-glow for organizing these events.
7. Under the Harassment, Intimation, and Bullying Law, I as Superintendent am required to report to the Board of Education no later than the date of the next Board meeting results of investigations regarding HIB when those investigations have been completed. We had four incidents investigated since the last Board of Education meeting. One of the four incidents resulted in HIB. All of the proper steps, meetings and notifications took place. Remedial interventions and appropriate disciplinary actions were taken dependent upon the findings of the investigation.

8. And finally, all Chief School Administrators and Charter School lead persons are required to schedule and conduct a public hearing on all acts of violence and vandalism that occurred during the previous school year. During the 2018-2019 school year, the district reported 3 acts of violence. There were 0 acts of vandalism, 0 incidents of weapons and 0 incidents of substance abuse. There were 15 reported HIB incidents for the 2018-2019 school year. Four out of those 15 incidents resulted in Harassment, Intimidation or Bullying being found to have taken place.
- October 7-10 was designated as School Violence Awareness Week. The teachers were asked to design lessons and activities that would educate their students on the prevention of violence and vandalism.

Mr. Cox, so ends my report.

REPORT OF ASSISTANT SUPERINTENDENT

Good evening everyone,

- The administration has been completing observations of staff. We have observed excellent teaching, creative activities, and high student engagement. The year is off to a great start!
- The NJSLA assessment calendar has been set. We have started planning sessions, assigning assessments, and identifying accessibility features and accommodations for students in need of these supports. The following is this year's testing schedule inclusive of ELA, Math and Science:
 - Science grades 5 & 8 will be May 5 & 6
 - Math grade 3-5 will be May 7 & 8
 - Math grades 6-8 and algebra will be May 11 & 12
 - ELA grades 3-5 will be May 13-15
 - ELA grades 6-8 will be May 18-20
 - Make-ups will be administered throughout the testing month in addition to May 21-28. The testing window closes on May 29.
- We have been continuing to make progress towards achieving our district goals. Here are some updates:
 - The Recycling Committee now named the Green Team, met to create an action plan for each of our goals for the committee. Some of our goals include:
 - Purchasing reusable water bottles for staff and students
 - Creating signage above trash and recycling receptacles using pictures of food that can be purchased in the cafeteria to remind students where to place items
 - Assemblies to create student awareness of methods to recycle
 - Applying for recycling grants
 - Purchasing an indoor Tower Garden to contribute to science lessons
 - And hosting a 50th anniversary Earth Day Celebration with many activities to celebrate our Earth

- The Health and Wellness Committee started to plan our spring health and wellness fair. We are going to expand the fair this year and welcome grades K-5. We will be incorporating yoga, mindfulness stations, Bootcamp and more. To contribute to our Wellness initiative, we will begin to train our staff in Youth Mental Health First Aid. I was fortunate to attend training with Mr. Cox and other community members this fall and some of the members of the Health and Wellness Committee have also been trained. In January, I plan to hold a training for an additional 15 staff members. By the end of next year, I hope most of our staff members will be trained.
- Teachers are using manipulatives and including the math practices in their instruction. Teachers are also an adaptive software program, Moby Max, to help students achieve mastery of individual skills.
- I am one of three presidents of the Bergen County Curriculum Consortium. We were asked to present at the National Learning Forward Conference in December. Education leaders and policymakers will gather in St. Louis to share professional learning expertise focused on creating and sustaining equity and excellence in teaching and learning every day. I am excited to both present and attend the conference, bringing back ideas learned to our teaching staff.

Mr. President so ends my report.

REPORT OF BUSINESS ADMINISTRATOR/BOARD SECRETARY

- Our insurance group NESBIG is requiring that all members participate in a Cyber Security Training in order to lower the likelihood of a cyber-attack on district data. This would involve every person who has a district email account, including the members of the board. I have been asked to provide a list of those who will require training along with their email contacts. Again, this is being required of all NESBIG members. NESBIG will be covering the cost of this training in the first year, and will advise if that will continue in coming years for annual re-training.
- Motion #7 on the Finance agenda tonight refers to an amendment to all district 403B plans based upon regulation changes that have taken place. This language was provided to us by OMNI, our third party plan administrator to ensure continued compliance.
- Motion #24 refers to the previously discussed summer 2020 project updating the Security Vestibule and the two additional alternate projects, renovation of the OT/PT Room and enhancement of the main entrance canopy and replacement of the lighting bollards leading to said entrance. This motion covers all phases of architectural preparation, design, and the bidding and construction oversight. This does NOT reflect the cost of the projects themselves. Those cost estimates will be provided by the architects after phases I and II as outline in the motion.

- Motion #25 reflects a change in the previously approved motion for the Boiler Exhaust Project. The cost has increased to \$65,950.00 as additional considerations needed to be made with regard to the gas line work that is needed and some changes to the piping. In addition this project, as identified in the motion, has been deemed an emergency repair by the County Business Administrator and therefore is not subject to normal quote/bid procedures.
- Finally, on the addendum, motions #3 & #4 refer to an incident which occurred this morning. Due to a perforation in the roof and subsequent damage to an internal duct, we had a leak in the cafeteria kitchen. Thankfully the damage was minimal as the leak occurred directly over the main drain in the kitchen floor. No equipment or supplies were damaged and no one was injured in the incident. These motions are required to fix the leak, and replace the damaged duct-work and insulation. The repairs will get the kitchen up and running by Thursday.
 - A big thank you to Pomptonian for carrying out an alternate meal plan for today and making accommodations for tomorrow.
 - Also, thank you to Evan Morley for getting the vendors in action so quickly.

HEARING OF CITIZENS ON AGENDA ITEMS ONLY

Any citizen present who wishes to be heard on agenda items only, should raise his/her hand to be recognized, state name and address, and limit remarks to five minutes in accordance with board policy. Another Hearing will be conducted after new business for any other matter. The hearing of citizens shall not exceed one hour.

President closes hearing of citizens.
