“Where Emotions Drive Achievement”

September 2, 2020

Dear P.S./I.S. 226 Families,

We are excited to advise you that we are adopting a new system this school year named Operoo. Some people may have already used this system, previously known as CareMonkey. Operoo makes it very easy for you to respond to school consent form requests using your cell phone, tablet or PC. No more paperwork! You pick the language. You don't have to worry about lost forms or your child missing out on information when they are absent.

It will greatly reduce the burden on you to provide information that is repetitive. For example, it will allow you to keep your or your child's emergency contact and medical information up to date; so you don't need to repeat this information again whilst your child is at P.S./I.S. 226. It also puts you in control of this data so you'll always know what emergency contacts and medical information is shared with our school.

We do need a valid email address from you in order to use the Operoo system. Please share those details with us if you haven't already by texting your email address to our Parent Coordinator, Ms. Ashley, on Remind or emailing her at ALermer@schools.nyc.gov

You don't need to do anything else until you receive an email invitation from us asking you to sign up for your Operoo account. After that, you'll receive notifications whenever there is an electronic form to complete for P.S./I.S. 226.

All P.S./I.S. 226 families should know that you or your child's information will only be visible by the relevant staff for you or your child and will be managed in accordance with our privacy policies. Details about Operoo's security and privacy procedures can be found here: <https://www.operoo.com/terms-policies-security/>.

Please feel free to contact us if you have any questions. You can visit the Operoo website for more information here: www.operoo.com. There is also a parent introduction page here: <https://www.operoo.com/intro-for-parents/>.

Sincerely,

Evan Klein
Principal
