

General Education Students (GE)		Students with Disabilities (SWD)*	
Ranked	May be ranked	Ranked	May be ranked
90 or above core academic cumulative average on 7th Grade final report card. 55%	Approaches criteria (does not meet all ranking criteria) but there are less than 4 times the match target of candidates to rank.	85 or above core academic cumulative average on 7th Grade final report card. 55%	Approaches criteria (does not meet all ranking criteria) but there are less than 4 times the match target of candidates to rank.
10 or less days late 10 or less days absent 5%	Students will be ranked in order of highest academic performance per cumulative average (7th Grade) and State Exam Scores <i>until the match target is reached.</i>	13 or less days late 13 or less days absent 5%	Students will be ranked in order of highest academic performance per cumulative average (7th Grade) and State Exam Scores <i>until the match target is reached.</i>
7th Grade State Math and ELA Exam Scores: • Math level 3-4 • ELA level 3-4 40%		7th Grade State Math and ELA Exam Scores: • Math level 2.75-4 • ELA level 2.75-4 40%	

- NEST+m is a citywide screened program and does not give geographic priority to students from any district or borough;
- Each student is assigned a final rank based on the sum of (core academic cumulative average rank x 55%), attendance (5%) and (State Math and ELA Exams Score Rank x 40%).

*Seats are divided into two groups: General Education (GE) or Students with Disabilities (SWD). Your application will show which seat group you are in: GE or SWD. It is not something that you choose.

General Education (GE) seats

- For students who receive general education instructional programming.
- For students who receive special education instructional programming that is not ICT (integrated co-teaching).

Students with Disabilities (SWD) seats

- Only students with an ICT (integrated co-teaching) designation are eligible for Students with Disabilities (SWD) seats.
