Dear 12th Grade Parents/Guardians,

In these times of uncertainty, have confidence in knowing that the SCCS faculty and staff continues to work strenuously to assure that each and every student continues to receive all of their content, as efficiently as possible. As Remote Learning continues to provide us with opportunities for students and teachers to remain connected, we are excited that we can continue to keep students engaged with each course content; no matter if they are working inside or outside the physical school environment.

While we all continue to work toward some normalcy, please keep in mind that all of SCCS remains committed to your student's education and growth. You can rest assured that SCCS has taken all necessary precautions to safely deliver your student's education in the building while maintaining social distance. For those students who will remain remote, the 12th Grade team has implemented various remote learning platforms and resources; such as Google Classroom, PupilPath, and Zoom to help deliver a rigorous and valuable education.

Since new information continues to be delivered to us every day, we ask that students and their families continue to check emails and Google Classrooms daily for the most updated assignments, progress reports, and information. To receive the most up to date Senior related news, it is very important that you and your student(s) sign-up for an account with Remind. To create an account, please visit [www.Remind.com/join/sccs2k21](http://www.Remind.com/join/sccs2k21)

Students and their Parents/Guardians can continue to access Pupil Path for updated grades. If you require assistance regarding Pupil Path access please contact our Parent Coordinator Ms. Holland at [pholland@sccsbrooklyn.org](mailto:pholland@sccsbrooklyn.org) or Mr. Perez / [mperez@sccsbrooklyn.org](mailto:mperez@sccsbrooklyn.org).

Please see below for a list of Teachers and their contact information. We encourage that all students and their parents/guardians attempt to contact teachers only during school hours (8:30am - 3:20pm). The 12th grade team will do our best to respond to all messages, phone calls and/or emails, received outside of that timeframe, within 24 hours.
