				57. When was your last period? _____			
				58. What is the frequency of your periods? _____			
				Explain "yes" answers here			

I have reviewed the History Form and I hereby state that, to the best of my knowledge, the answers to the above questions are complete and correct. I give permission for _____ (Child's Name) to have a physical examination, which will include an inguinal and testicular examination for boys and an inguinal examination for girls. If this exam is performed in the school setting, I understand that if either I or my child refuses to have these areas examined, the OSH Medical provider will not be able to complete this form and clear my child for participation.

Neck		
Back (including scoliosis screening)		
Shoulder/arm		
Elbow/forearm		
Wrist/hand/fingers		
Hip/thigh		
Knee		
Leg/ankle		
Foot/toes		
Functional • Duck-walk, single leg hop		

^a Consider ECG, echocardiogram, and referral to cardiology for abnormal cardiac history or exam. ^b GU exam must be done in a private setting; the presence of a third party/chaperone is needed. It should not be performed in mass participation settings. ^c consider cognitive evaluation or baseline neuropsychiatric testing if a history of significant concussion. I have examined the above named student and completed the pre-participation physical examination. The athlete may/may not participate in the sport(s) outlined on the Recommendations for Participation in Physical Education and Sports form. This form may be rescinded until the potential consequences of the health issue are explained to both the student and his/her parents, and the health issue has been resolved. All information and recommendations contained herein are valid through the last day of the month for 12 months from the date below.
