Dive into the pages of the Percy Jackson series, the Heroes of Olympus books, & the soon to be released Trials of Apollo. This year students in 2nd and 3rd grade will be demi-gods in training at Camp Half-Blood. The 4th and 5th graders will be gods and goddesses at Camp Half-Blood, while also participating in Camp Jupiter activities. All campers will study ancient Greek myths and creatures, create Greek art, and train for battle through archery, sword fighting on the Wii, and agility training on the Mt. Olympus obstacle course.

The campers will also play the favorite game of Demi-Gods...Capture the Flag! They'll also have the chance to participate in our own version of the War Games from Camp Jupiter.

On the final day, campers can dress like their favorite character, God, or Goddess. The campers will use the knowledge and training they gained throughout the week to work with their cabin to complete a quest.

Throughout the week, cabins will earn points for behavior, good sportsmanship, and for many of the activities and challenges that they complete. The top three cabins will be rewarded in a ceremony.

*These activities will enrich and extend many language arts standards as well as including math, science, and social studies.

Returning campers will experience new & exciting activities!
