Giving Circle

Ready for a summer of fun at the Muncie Children's Museum? Join us from June 1 through July 31 for our summer programming! This summer, we're taking you under the sea to learn all about the ocean and the creatures that call it home. Every day at 12 p.m. and 3 p.m., we will be hosting fun, ocean-themed crafts and activities. And, be on the lookout for other special under the sea adventures throughout the summer. All activities are included with the price of regular admission.

For more information, visit munciemuseum.com or check us out on Facebook!
