We are learning how to stay Heart Healthy

During the month of January, YES students will be focusing on heart healthy activities during their Wellness/Gym special.

- Third grade will focus on healthy heart foods and activities.
- Fourth grade will learn how to take their own pulse and discover how different activities can alter your pulse rate.
- Fifth grade will participate in the Family and Friends CPR course developed by the American Heart Association. Mrs. Carol Ester, RN will provide the instruction which focuses on hands-only CPR. Choking situations will also be discussed.

Healthy heart habits and CPR training will prepare students for a healthy future as well

as how to act in an emergency situation. If you have any questions please feel free to contact Carol Ester, RN at cester@yorktown.k12.in.us

Riley Penny War

Each classroom will be assigned a jug that will be located in the front entrance of the school. Money will be collected in the jugs each morning. The contest will run for 1 week beginning Monday, January 28th and ending Friday, February 1st. The winners will be announced Friday, February 6th. Our goal is to raise \$650 for Riley. Last year we were able to far exceed this amount. Additional information will come as we get closer to this contest. Thank you for helping us make a difference in a child's life!
