

# Summer Bridge

The Summer Bridge program was designed, by teachers, to help BRIDGE the learning gap that some students experience in the summertime. Your child has worked so hard all year on academic achievement, but during the summer months, it is easy for them to experience some learning loss. **Summer Bridge will be offered to students who will be in 4<sup>th</sup> or 5<sup>th</sup> grades beginning in the Fall of 2019.** They will be focusing on targeted reading and math skills to keep their brains in shape for the next school year.

This program will take place two days per week for 90 minutes of targeted, FUN, instruction! See the dates and times below:

**TIME: 9-10:30 a.m. (for each session)**

---

Monday, June 3, 2019

Wednesday, June 5, 2019

Monday, June 17, 2019

Wednesday, June 19, 2019

Monday, June 24, 2019

Wednesday, June 26, 2019

The cost for this program will be **\$25 per student per session (paying at each session or weekly)/or \$120 for the entire program (payment is DUE at registration)!** This price will include a snack for your child during Bridge Time.

**Registration for your child is due to the YES Office by Friday, May 10<sup>th</sup>!**
