

YES Announcements

March 22, 2018

The mission of Yorktown Elementary, working in partnership with all stakeholders, is to educate all students in order to achieve personal and academic excellence in an ever-changing world.

Due to spring break, school will not be in session from Friday, March 23, 2018 through Monday, April 2, 2018. Classes will resume on Tuesday, April 3, 2018.

New Announcements:

5th Grade Camp Luggage Drop-Off – Luggage must be dropped off on Monday, April 2, 2018 from 5-7:00 pm.

Cell Phones – Although we realize students may need to bring a phone to school for various reasons, they must remain off/silent and in backpacks during the school day. If phones are out, teachers reserve the right to bring phones to office for parent pick-up. Phones can be picked up during the regular school day from 7:30 - 3:30.

Box Tops – The last collection for March, April, and May will be pushed out to Friday, May 18, 2018.

Yearbook Orders – The window is closed for paper orders. On-line orders (ybpay.lifetouch.com) may be submitted by end of the day Friday, April 6, 2018.

Kids' Night Out (KNO) – The next scheduled KNO is Friday, April 13, 2018 from 6:30-8:30 pm and will show the movie Wonder. Permission slips are available in the office as well as attached to these announcements.

Spring Book Fair – The fair will run from Friday, April 6, 2018 through Friday, April 13, 2018. Students will have an opportunity to purchase books during the school day.

Grandparents Night – The night is scheduled for Thursday, April 12, 2018 from 6-7:30 pm. The Book Fair will be open during this time as well.

E-Learning Day – Due to our snow day on Wednesday, March 21, 2018, an e-learning day is scheduled for Saturday, April 14, 2018.

- Learning modules will be made available to students the Wednesday afternoon at 3:00 pm prior to the eLearning day and will remain available through the Monday at 11:59 pm following each online eLearning day. Thus, students have this entire window to complete the activities.
- Attendance for students will be counted through the work submitted. This assigned work is mandatory since it replaces a scheduled day of school.
- Teachers will be available for “office hours” per the teacher’s communicated method and times. These hours will be posted within the student’s Canvas Module.

Computer labs at **Yorktown Elementary School** will be available for all K-12 students without devices and/or Internet access on a **sign-up basis**. Students in need of technology, regardless of grade level, should report to the Yorktown Elementary School. Please use the main entrance and follow all signage. Labs will be open as follows:

- Wednesday, April 11 from 3:00 pm - 7:00 pm
- Thursday, April 12 from 3:00 pm - 7:00 pm
- Saturday, April 14 from 9:00 am - 1:00 pm

Yorktown Public Library also has Internet access if you would prefer to use their facilities.

Parents of elementary students will be expected to stay with their student throughout the use of lab time.

Previously Noted/Important Information:

Sweet Treats – Please keep in mind any treats brought to school must be purchased. No homemade treats will be accepted.

Spirit Wear – Spirit wear is now available for sale and available on the YES website. Be sure to look over all the wonderful items we have available. Orders will be submitted on the 20th of each month. Additional questions should be directed to tigerspiritwear@gmail.com

Background Check Policy – Yorktown Community Schools has a new background check policy for any family member that would like to attend a field trip or volunteer at school as of 2016. Volunteers are required to complete an expanded criminal history check, complete mandatory bullying prevention training, and complete the volunteer agreement and waiver. All background checks are good for 3 years across the district and are conducted by Safe Hiring Solutions, LLC. Please visit www.yorktown.k12.in.us/volunteer for all needed information. Parents may eat lunch with their child or bring in birthday treats as a “guest” without a background check on file.
