

Percentage of Area High School Students Attending 2 & 4 Year Colleges or Universities

The chart represents school districts where the majority of Notre Dame students live.

Data represents graduates in 2016; the most recent statistics for the State of Pennsylvania and includes the state average.

Data Source: Public high school data from Pennsylvania Department of Education website:

<http://www.education.pa.gov/Data-and-Statistics/>

I certify that the above 2 and 4 year college attendance statistics for Notre Dame High School are true and accurate.

Certified by:

Mr. Mario Lucrezi, Principal
Notre Dame High School
