2018 FOOTBALL PROGRAM ADVERTISEMENT INVITATION

With the football season just around the corner, it is time to prepare for the **Notre Dame High School** football program. Please consider supporting Crusader football by advertising in the 2018 football program! Money raised by these ads goes directly to the Notre Dame Band Booster general fund. This fund is used to purchase new band/color guard uniforms and instruments, as well as to maintain current instruments, and pay for many other band related activities.

For a very reasonable cost, your printed message will be available during the Crusaders' five home football games. Parents, salute your child for a job well done!!! (**Please note:** please ask for an electronic copy of the official Notre Dame logo if you would like it to be a part of your ad.) Please send the completed via email or by mail. (Electronic ads preferred.) The full ad page size is 8 1/8 x 10 3/4, including margins. The half page ad is half this amount while a quarter is a fourth, etc. Advertising for your children is an awesome way to show your support for them and their school throughout the season!

The cost for advertising is: Full page - \$140, half page - \$70, quarter page - \$35.

You can also support Notre Dame Crusader football by placing a Patron Ad in the program. Patron ads cost \$10.

If you have any questions, please email Al Shimkus at ashimkus@ndcrusaders.org.

Please let us know as soon as possible if you are interested! **The deadline is August 24, 2018**
