

## ENL Program

Block Middle School

---

### WIDA ACCESS TEST begins on February 4, 2019

---

Dear Parents and Guardians,

Your child will be taking the WIDA ACCESS test this week. The WIDA ACCESS test is a comprehensive test that monitors students' development of academic language in English.

The test assesses the four language domains:

- Listening
- Reading
- Speaking
- Writing

This test corresponds to the English language development standards. We use this test to gauge what type of support your child will need in acquiring academic language in English to be successful in school.

The test will take place over a period of two sessions. We are asking that your child is present in school and is ready to do well on the WIDA test. Please encourage your child at home to stay on task and motivated during the testing sessions.

Just like every year, official results will be available later in the Spring. Once scores are available, a report copy will be sent home with your child.

If you have any questions, please feel free to contact me.

Sincerely,  
*Mrs. Ayala*
