Volunteer Orientations for December

We NEED YOUR HELP!! We need volunteers to help with various activities/events for our students. Join a committee. Let's all come together and make our schools a great learning place for our students.

Please remember to volunteer in SCEC you must complete a volunteer application, go thru a limited background check. Once approved you must attend a MANDATORY volunteer orientation to complete the process. If there is not an orientation listed for your school you will need to attend any of the other orientations at the schools.

Also, you must complete 3 hours of volunteer service to chaperone on trips. Please DO NOT wait for the last minute to complete an application. Applications must be submitted at least 2 weeks in advance of any trip.

If you would like to complete the application or haven't heard from us, please stop by at any of the orientations.
