

Kerchell Hobson, **Block Middle School Principal**

October 18, 2019

Dear Parent(s)/Guardian(s),

Effective Monday, October 21, 2019

Block Middle School students will be required to wear identification cards each and every school day. All students will be issued one identification card and one lanyard. Replacement identification cards and lanyards will cost \$2.00 and can be purchased in our main office. Please see our student ID policy below.

Student Identification Cards

The ID card allows the student to identify himself/herself as an East Chicago student. It will also help in an emergency to be able to identify the name of a student. An ID card was issued at the beginning of the school year or when he/she becomes a student at Block Middle School. All students must wear/display the ID card on school days. Photo ID must be suspended from the neck, fully visible from a distance. ID's are not to be worn on any other part of the body. Students may not deface, trade, or share identification cards with others.
