

COVID-19 Test Results

Today your child was tested for COVID-19
by a medical professional from BioReference Laboratories.

What's happens next?

We will contact you by phone or email with your results. If your child has COVID-19, you will receive a phone call. The majority of test results will come back in about 48 hours.

If your child has COVID-19:

1. Someone from BioReference Laboratories will call you between the hours of 7AM-8PM to let you know that your child has COVID-19 and will share additional information.
2. You will also receive a call from NYC Test & Trace Corps, who will offer resources and recommendations. They will help you with what you may need to be able to safely stay at home.

If you do not receive an e-mail or phone call from BioReference Laboratories within the next 2-3 days, please contact BioReference at 1-888-279-0967.
