Dear Parents & Guardians,

**Office of School Food Services requires that EVERY family complete a school meal application form whether or not your child is planning to eat school meals. Please log on to [www.ps3blueherons.org](http://www.ps3blueherons.org) and complete the school lunch application on line. You will need your child's student OSIS number in order to complete the application on line.** The application will determine your child's meal status according to your family's MONTHLY income. Parents will be billed according to their lunch eligibility status and are responsible to pay for all lunch fees their child(ren) accrue during the school year.

**We accept cash or money order ONLY. Holidays and school days that students are not in session have already been deducted.**
