STEP 4:

Click on the place where you are getting your file or document from. How you are uploading your file or document? You can click “Drive” which is your Google Drive, “File” which is somewhere on your computer that you saved your work, or even create your work from here as a “New Doc”.

The screenshot shows a Canvas LMS assignment page for 'TIKOK' (100 points) by Dana Damato. The assignment instructions include watching Tiktok dances, optional video/photo submission, and attaching files. A red arrow points from the 'Add or create' button in the 'Your work' menu to the 'File' option. The 'Your work' menu also shows 'Google Drive', 'Link', and 'Create new' options (Docs, Slides, Sheets, Drawings). A 'Class comments' section is visible at the bottom.
