Violation

UNIT
LEVEL

Essential
Questions

How are governments formed? How do they stabilize, centralize, and sometimes lose control?

How did new ideas spark change and conflict in the late 18th and throughout the 19th centuries?

Did the benefits of the Industrial Revolution outweigh the costs?

Why did nations choose to colonize others and how did this choice impact the world?

How did cooperation and competition between nations impact the international community and the lives of individuals in the countries involved in the world wars?

How did cooperation and competition during the world wars shape the postwar world?

What impact did post-World War II nationalist movements have?

How does globalization impact institutions, nations, international relations, and the lives of individuals?

Do the benefits of globalization outweigh the costs?

How have human rights been violated and how have international organizations attempted to address them?

UNIT STRUCTURE:
