Dear Parents,

Our Parent-Teacher Conference was a huge success. Thank you for showing interest in your child's education.

This month in Language Arts, we will start working on informational text. Ask your children facts on their reading and encourage them to find additional information on the topic they are reading. In Mathematics, we will be working on Topics: 4,5, and 6. Your child will be learning pre-algebra; concepts like adding, subtracting, multiplying and dividing equations. Your child will also start fractions and mixed numbers. We encourage you to keep motivating your child to learn their time tables from 2-12, they will need all of them to successfully evaluate many of our mathematical concepts.
