

8th **Grade English**

Dear Families,

In preparation for a possible school closing, we are posting the following assignments for our ELA classes:

- Read your independent novel or book club selection for 30 minutes each day.
- Complete one Reading Log or Book Club Log per week (use the Book Club Log if your English teacher has already started book clubs with your class).
- If you complete your novel, please select a new one from home or the library and continue working on Reading Logs.
- Upon returning to class, reading logs will be used for book discussions and for your project work. Your book project will be provided or resumed by your English teacher when we return.

Sincerely,

Mr. Esposito, Ms. Geary, Ms. Monroe, Ms. Moschetti, & Ms. Walner
