Dear Parents/Guardians,

I am sending home a Social Studies project for your son/daughter to work on in the event of a long-term closure due to the COVID-19 virus.

Hopefully, we will not have to utilize these plans. However, I want to make sure that we are prepared for the worst-case scenario.

In the event that we close, your child should work on the project each day we are closed.

If you have any questions or concerns, please contact me by email at:

jchiappo@carmelschools.org

Thank you for your continued support.

Sincerely,

Jayne Chiappone
