Grades 7 & 8 Back-to-School Curriculum Night

Dear Parents or Guardians:

On behalf of the 7th and 8th grade faculty, we would like to invite you to attend this year's Back-to-School Curriculum Night for grades 7 and 8 on Thursday, September 13th.

The evening will begin at 6:30 PM in the auditorium with a welcome and brief overview of the building by our administrative team. From 7-9 PM, you will follow a modified child's schedule and meet his/her teachers. Please see the table below.

The evening will provide you with information that will help you understand your child's academic program, so that you may better assist him/her throughout the school year. Faculty members will be present to define course goals, as well as teacher and student objectives for your child's classes. Please note that there will be no individual conferences on this evening.

You will need to bring a copy of your child's schedule. This can be obtained by logging into CCSD Home Access. If you need to pick up a copy of your child's schedule, you may do so that night, but please arrive between 6:00 and 6:20 as the lines could be long.

On behalf of the faculty, we look forward to seeing you at our Back-to-School Curriculum Night. This is a great opportunity to start out the school year by having faculty members discuss expectations for your child. It is our belief that parental knowledge about their child's progress is absolutely essential to their continued success in school. Our best wishes for a good school year. As always, please feel free to contact us should you have questions regarding programs or goals at the middle school.

Sincerely,

John Piscitella
