

Dear Students and Families,

In planning ahead in case of a school closing, please keep these assignments in a safe place. We are hoping that all will stay healthy and we will not have to close. In any case, I will be checking my email on a daily basis if anyone has any questions.

Assignment A: Practice the following study sets on www.quizlet.com. In the search bar, enter **GFMSStorminger**. Click on **Spanish 8 Cultural** under the classes tab. Practice all activities in each study set and do a quiz at the end.

- La comida
- El desayuno
- El almuerzo
- La cena
- Las bebidas
- La familia
- Adjetivos
- Más adjetivos
- El dormitorio

Assignment B: Create a review game or 2-3 review activities focusing on one of the following topics: food (all categories), family and adjectives, bedroom. Some ideas for games include BINGO boards, board games and questions for shark attack. You may find blank game templates online to use when creating your games. Ideas for review activities include crossword puzzles, word search puzzles, matching sheets and unscrambles. You may also use www.theteacherscorner.net to help you create activities.

I look forward to seeing your games and activities when we return. Stay healthy!

Laura Storminger
