Program

Dear Stagecoach Families,

Welcome back from Spring Break! We hope everyone had a fabulous time filled with laughter and great memories. We are excited to come back to be with our amazing students. I know our 33 school days will fly by.

On April 17 our students will have the opportunity to demonstrate their learning when we begin taking the WY-TOPP assessments ( Wyoming Test of Proficiency and Progress). Students will be taking assessments April 17-27<sup>th</sup> during designated grade level times. Please contact your student's teacher for specific times.

Due to assessment rules and protocols, we must limit visitor access to the building while students are testing. If you are in the building, please honor all posted signs as we strive to provide a quiet and legitimate testing environment for our students. Volunteers and visitors are still welcome in the building, but we do ask (as always) that you check in at the front office.

Please support your students during assessment time by doing the following:

- Making sure s/he goes to bed early and receives plenty of rest.
- Making sure s/he is on time and in school every day during the testing period. Several sessions will start first thing in the morning. Research shows that students do best on standardized assessments when they are testing in class with the rest of their peers.
- Talking to and encouraging them to do their very best on this test.

Please come support your student(s) April 19 for our Passport to Specials Night. This exciting new event will give each student an opportunity to show off what they do in Specials. We are truly blessed to have such amazing and passionate Specials Teachers.

Sincerely,  
Jennifer Martin-Palacios  
Principal
