

Welcome to the 2019-20 school year!

**Our promise to you:**

As a team, the Stagecoach Staff we will work hard to create a legacy of strong relationships with parents, students, and community partners. We will focus on character education initiatives, Common Core skills, use of data to inform instruction, consistent implementation of newly adopted direct instruction strategies to increase students' achievement, and providing exciting and challenging enrichment opportunities for all students.

**Attendance:**

It is vital that your child is at school, but if your child is sick or has an appointment please call the office at (307) 352-3265 as early as possible in the day. If your child is marked as absent and we have not heard from you, we will call to verify their absence. If your child is gone due to a medical appointment, please bring a doctor's note so that we can mark the absence properly. Once your student has missed 5 days, you will receive a letter notifying you. Those absences will then be reviewed on a case-by-case basis and referred to the Principal and Counselor if deemed necessary per the new District attendance policy.

**Checking Out Your Student:**

If you would like to pick your student up early, please call the office **no later** than 3:00. The end of the day is very busy and students are preparing to go home, transitioning, and loading busses. This makes it very difficult to honor the request after 3:00.

**Dropping off and picking up your student:**

When dropping off and/or picking up your student, while staying in your vehicle, please pull all the way to the end of sidewalk to let your student out or to pick them up. If you park in the parking lot, please use the crosswalk to cross the street to pick-up your student and to return to your vehicle. If your student is going home with a friend or if they are using a different mode of transportation for the day, your student **MUST** have a signed note from their guardian. We ask that you notify the student's teacher **and** the front office if there is a change in your student's transportation at the end of the day.

**Weather:**

Please dress your child for all types of weather. As you know weather can be very harsh in Wyoming and we will go outside in cold and windy weather. In the morning if the weather/ temperature is too cold for students to be outside, we will place a sign out front stating that students need to come into the building. You will also be notified if you sign-up for the Parent Square app and add Stagecoach.

**Volunteering:**

We absolutely love having parents, grandparents and guardians in our building to volunteer. Please find out how and when you can help out in your student's classroom and/or library. When you come in to volunteer **you will need to bring a valid ID** to get a visitor pass.

Please check out our Twitter feed at #Stagecoach307 and our website link on the SCSD#1 home page. If you haven't downloaded the Parent Square app to your smart phone, you might want to check it out. Please call us if you have any questions at 307-352-3265. Thank you!
