3rd – 5th Grade Students are Invited!
Join Us for a “Winter Wonderland”
Hackathon!

Saturday, January 26th
9am-12pm
P.S. 31Q

What is a “Hackathon”?

A hackathon is an event where programmers collaborate to solve a common problem or achieve a common goal over an extended period of time. Our students will be using Scratch to create messages of kindness to share with the school community.

- Student drop off at 9am.
- Parents join us at 11:00 am for student presentations.
- Tear off and return permission slip by Friday, January 18th.

Attn: Ms. Maritza, P.S. 31Q Hackathon Permission Slip

Student Name: _____ Class: _____

- ✓ I give my child permission to participate in a “Winter Wonderland” Hackathon on Saturday, January 26th from 9am-12pm.
- ✓ I understand that parents are encouraged to arrive at 11am for student presentations.
