Assistant Principal

Dear P.S. 31Q Families,

Each year the students at P.S. 31Q work together on a service project to help the surrounding community. This year the Student Council reached out to Cohen's Children's Hospital to see how we could help children in the hospital have an easier stay. The hospital has requested art supplies to be used by the *Child Life and Creative Arts Therapy Program* to soothe children going through difficult procedures.

The Student Council representatives are now asking for support from the P.S. 31Q families to collect supplies for donation to the hospital.

**We are asking for new art supply donations\*, by grade:**

<b>Pre-Kindergarten, Kindergarten, &amp; 1<sup>st</sup> Grade</b>	Play-doh, Play-doh tools, water color sets, paintbrushes, model magic
<b>Grade 2</b>	Paper: Construction, drawing, and/or painting
<b>Grade 3</b>	Glue sticks, stickers, printed duct tape, washi tape
<b>Grade 4</b>	Markers, crayons, colored pencils, colorful sharpies, oil, pastels, cray pas
<b>Grade 5</b>	Coloring books, tissue paper, kinetic sand, dry erase markers, and/or dry erase boards

Drop boxes will be set up, by grade, in the lobby. We will be accepting donations until Monday, March 4<sup>th</sup>, 2019.

We appreciate your support in providing these supplies for hospitalized children, on behalf of the P.S. 31Q Student Council.

*\*Please note: the requests are suggested, they are not limited to the lists.*
