***We are reminding you of the following items:***

**Baby Pictures**-We are still in need of baby pictures for the Yearbook. The Yearbook Committee has been working very hard & they are having trouble figuring out which baby picture is which, with no names being added. This delays the process and we would like to ensure we put the correct baby picture with the correct student. The last day to submit one baby picture is: Friday, February 15<sup>th</sup>, 2019.

**Wishing Wells**-This is now over.

Thank you for your cooperation!
