Reading Skills and Strategies

For Independent Reading and Math Word Problem Solving
Tips for Our 3rd, 4th, & 5th Grade Parents and Guardians

Tuesday, November 27th, 2018

Workshop begins at 3:00pm

Hosted by our very own: Special Education Teacher Support Services, Ms. Lara Africk

All parents are welcome to learn how they can make a difference in their child's reading experience at home and contribute to their progress in school.

The workshop will discuss the following topics:

- ✓ A description of many of the required reading skills in grades 3-5.
- ✓ Strategies that support the reading skills
- ✓ Reading through math word problems
- ✓ Strategies to solve word problems

We will continue hosting a variety of FREE parenting sessions during the school year.

Light refreshments will be served.

Please note, this session is for adults, only.

*Kindly return the tear-off no later than Wednesday, November 21st, 2018.
We would like to have enough hand-outs ready. Don't miss out!*

Maritza J Gillespie
Parent Coordinator

ATTN: Maritza Gillespie, Reading Skills & Strategies with Ms. Africk

Yes, I will attend the workshop!
