

# Queens Hackathon Spring 2018

**Date:** Saturday, April 21st, 2018

**Time:** 9:00 am - 4:00 pm (doors open at 8:30)

**Location:** Queens High School for Teaching, Liberal Arts, and the Sciences (74-20 Commonwealth Blvd, Queens, NY 11426)

**Who can participate?** This event is designed for students in grades 3 - 12 and their parents or guardians! Participants who are registering **must** do so in student/adult pairs (only one student per adult), we recommend the adult be a parent or guardian. No previous knowledge is necessary!

**Why would someone go?** This event will be a great way to see what computer science is all about and let students and parents take part in a fun and engaging computer science challenge where no previous knowledge is necessary!

**What will participants get?** Other than a rich learning experience, participants will be fed lunch! I should also mention that there will be prizes for winners of various categories!

**Where do they register?** [Right here!](#) Participants must register by **Friday, April 13th**. Registration is on a first come, first serve basis and we expect participation slots to fill quickly!

**How do I get word out?** Share this email and the registration link to any students, parents, or teachers you think would be interested and want to send their child/student!

**How can I help?** Volunteers can sign up for positions using [this form!](#) You can find a summary of the volunteer duties in the [Volunteer Guide](#).

Come to the hack, get fed, get prizes and get your computer science on! Stay tuned for more information, and please let me know if you have any questions,
