

## **Rye Lake Decagon School Program**

In order to ensure continuity of instruction for students during all school closures, the faculty and staff have developed resources and materials to ensure that learning is ongoing. We will also make every effort to remain connected with you during this time to answer questions and support student learning.

All assignments and resources are intended to reinforce skills and continue to build content area learning. Materials will also include activities and information for students from service providers have sent a list of activities for daily living in which students can participate from home. These activities will reinforce skills that have been opportunities for learning in the school setting. There are also recommended activities to promote health and wellness.

### **Virtual Learning Opportunities:**

- Digital resources will include [News2You](#).
- All log-on information, if applicable, was included in student packets.

### **Handouts and Hard Copies:**

- Packets of assignments and materials have also been sent home with students.
- Reading:
  - Edmark Level 1 and Level 2 – To understand more about Edmark, click [here](#).
  - Reading Edmark Functional Word Reading
  - PCI Environmental Print Stories with worksheets - These materials help students learn “real-world” words and signs that students will see in the community. This learning will help students navigate their communities and keep students safe. The lessons and activities incorporate high-frequency words.
- Writing:
  - Handwriting Sheets – for some students these activities are reinforcement of occupational therapy skills.
- Mathematics:
  - Worksheets and activities are aligned with individualized student goals.
- Social Studies & Science:
  - Scholastic Magazines complete with assigned activities.
  - News2You printouts
- Daily Living skills:
  - Task Analysis sheets with instructions for parents, social stories, mock schedules, Picture Exchange Communication Systems (PECS) supports, directions for ACC devices (ProLoQuo, TouchChat, etc.)
  - Other daily living skills activities as per the Essentials for Living curriculum will include daily chores such as making the bed, following simple recipes, and others included in student assignment packets.
- Service Providers:
  - Service providers will be working directly with the classroom teachers to provide additional resources and activities to ensure maintenance of skills and continued growth.

- Counselors have provided mindfulness activities and Zones of Regulation tools so families can work with their children to reinforce positive social and emotional engagement.
- Social stories, speech materials and specific occupational therapy materials will also be shared that are student-specific and based on IEP goals and objectives. Step by step task analysis for student specific objectives may also be included.

**Instructional Support:**

All teachers prepared packets which have been sent through the U.S. Postal Service with individual materials for all students as per IEP goals. Teachers will remain in communication via Outlook email, especially regarding individualized planning. All of the academic materials in each packet are student specific and address the skills and content that they are currently learning.
