

## **Rye Lake Elementary School**

In order to ensure continuity of instruction for students during all school closures, the faculty and staff have developed resources and materials to ensure that learning is ongoing. We will also make every effort to remain connected with you during this time to answer questions and support student learning.

All assignments and resources are intended to reinforce skills and continue to build content area leaning. Materials will also include activities and information for students from service providers. There are also recommended activities to promote health and wellness.

### **Virtual Learning Opportunities:**

- Teachers will be continue to use [ClassDojo](#) for communication and posting individual assignments for students.
- Digital resources will also include [BrainPop](#), [iReady](#), and [Raz Kids](#). Additional digital resources will be shared as necessary, depending on our communication and additional school closures.
- All log-on information for digital resources, if applicable, was included in student packets.

### **Handouts and Hard Copies:**

- Packets of assignments and materials have been sent home with students.
- Literacy instruction and activities include:
  - Reading materials at individualized student reading levels and comprehension activities.
  - Scholastic magazines
  - Phonics review and reinforcement at individualized student reading levels
  - A journal with writing prompts
- Mathematics instruction and activities include:
  - Math in Focus packets with instructional information for review and practice activities
- Students have received a recommended daily schedule.
- Counselors have provided mindfulness activities and *Zones of Regulation* tools so families can work with their children to reinforce positive social and emotional engagement.
- Social stories, speech materials and specific occupational therapy materials will also be shared that are specific to student IEP goals.

### **Instructional Support:**

All teachers prepared packets through the U.S. Postal Service with individual ELA and Math materials for all students. Teachers and Service Providers will be will remain in communication via Outlook email, especially regarding individualized planning. All of the academic materials in each packet are student specific and address the skills and content that they are currently learning or have mastered.
