

Irvington Middle School / High School

In order to ensure continuity of instruction for students during all school closures, the faculty and staff have developed resources and materials to ensure that learning is ongoing. We will also make every effort to remain connected with you during this time to answer questions and support student learning.

All assignments and resources are intended to reinforce skills and continue to build content area learning. Materials may also include NYS test preparation materials.

Virtual Learning Opportunities:

- Teachers in some high school content areas have set up virtual assignments in Google Classroom and will be using that platform to share learning materials and assignments with students. These areas include: English (ELA), Living Environment, Earth Science, and Social Studies.

- Digital resources will include:
 - [Gizmos](#)
 - [Khanacademy.org](#)
 - [www.mathisfun.com](#)
 - [www.mathwarehouse.com](#)
 - [iReady](#) for mathematics and literacy learning – [log-in](#)
 - [Discovery Education](#)
 - [Castle Learning](#)

- All log-on information was included in student packets.

- Students enrolled in the Gradpoint program may log on remotely and continue to work in this program as per their individual learning goals.

Handouts and Hard Copies:

- Some pencil-paper assignments and packets of materials have also been sent home with students.

Instructional Support:

Teacher support will be provided via Google Apps. for Education (Docs. and Slides), Google Classroom and Outlook email.

Service Provision:

Clinical staff will be continuing to provide services and sessions for students remotely. They will also be providing social emotional activities and resources so students can continue this growth at home.

Other service providers will be reaching out directly to families and students to ensure continuity of service that can be provided virtually.
