CLASSIFICATION

Section One tournaments will be divided into groupings based upon the present New York State classifications. A school may not request to move up in class just for sectional competition. In the event of a two year realignment or longer, a school forced to move up or down in classification as a result of a change in BEDS enrollment will not be penalized. Their school's winning percentage will be used to determine qualification for sectionals.

2017-2018 SPORT CLASSIFICATIONS FOR SECTIONAL AND STATE PLAY

This is the Classification structure for all sports as approved by the NYSPHSAA, Inc. and member Sections. If the enrollments for Classification are adjusted in the NYSPHSAA, Inc., the placement enrollment figures will be adjusted to mirror the State Placement Parameters.

Match begins

The official post-match "Awards Ceremony" should consist of: Team members line up on 10' line. Award and announce the Runner up team and present certificates and trophy (if one is to be given) and then award and announce the Championship team and present certificates and trophy.

NY STATE TOURNAMENT RULES AND PROCEDURES

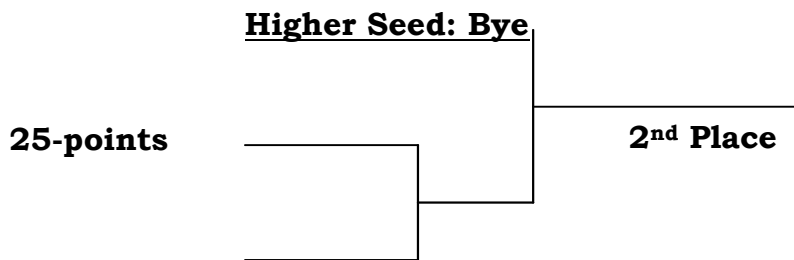

1. Official NCAA 2017 rules will be strictly adhered to, as well as the NY State committee's modifications.
2. Each team must provide a scorer and a Libero scorer through the semi-finals.
3. **PROTESTS:**

For all of sectional matches, protests must be lodged according to NCAA rules. If the match officials deem that the controversy is protest-able, a formal protest must be lodged (play will continue after the lodging of the protest); then the protest is called/delivered/faxed to the Section One Chair by 8 pm on the day of the protest. After reading the protest, the Section One Chair will confer with the Volleyball Official's Chair. The Section One Chair's decision will be final. If the protest is upheld, the match will be replayed on the next day, from the point of protest.
4. Ties for Round Robin Pool Play for State Tournament:
 - a. Teams shall not be eliminated from championship competition on a point system.
 - b. Teams qualifying for the playoffs but tied for position only shall not compete in a playoff game to determine position. Position assignment shall be determined by the point spread priority listed below:
 - 1) 1st Priority: Results of the match between the tied teams; first on the won-loss record, and second on the point spread. If still tied, then...
 - 2) 2nd Priority: Comparison of the point spread based on the total Round Robin competition. Point spread shall be determined by subtracting the total points lost from the total points won. The highest plus or the lowest minus remainder shall be considered the superior team for tie-breaking purposes.
 - 3) 3rd Priority: Flip of a coin.
 - c. If two or more teams are tied for a single playoff position, at least one 25-point rally game shall be played. For example:
 - Two teams tie for last position: play one 25-point rally game.
 - Three teams tie for last position; the superior team determined by the point spread shall be the bye team and shall play the winner of the match between the two remaining teams. Total of two 25-point rally games are played.
 - Four teams tie for last position: determining placement by the point spread system, Teams 1 and 4 and Teams 2 and 3 play each other, and winners' playoff. A total of three 25-point rally games are played.

NY STATE TOURNAMENT RULES AND PROCEDURES (cont.)

d. If three teams tie for two playoff positions, the team with the greatest point spread shall be awarded first place, and the other two teams shall play one 25-point rally game for the remaining playoff position. The same priorities as listed in #2 are used, except that if a tie exists after the 2nd priority, a coin flip shall determine the bye team and all teams must play for position as follows:

- Team Blue wins over Team White and gains one playoff berth.
- Team Red plays the loser, in this case Team White, for the second playoff berth. Two 25-point rally games are played.
- If three are tied:

5. The use of flash cameras during play is prohibited. Flash pictures may be taken during warm-ups only. Please inform all spectators/media of this to avoid delay during the match. An announcement should be made after the introduction of the players.

State Tournament

- A. At the State Pool Play Tournament, the 1st and 2nd round will have 18 minutes of warm-ups before the official warm-up of 6 minutes and 6 minutes for each team. After round 2, all warm-ups are 6 and 6.
- B. The pools of 4 – play each team 2 games of 25 points. Top 2 teams move on to the finals.
- C. A Digital team photo must be sent prior to the Sectional Semi-Finals or your team will not be in the State booklet.
