QUALIFICATIONS FOR SECTIONAL PARTICIPATION

Section One Bowling is composed of five leagues. Each league sets its own schedule of matches with its own eligibility rules, providing it corresponds to State and Section rules. Each league governs its starting date for practices and matches. Each league can determine whether to have boys teams, girls teams, or coed teams which are regarded as boys teams with girl participants according to New York State rules. If a girl bowls one game on a boys' team or a coed team competing in the boys' league, she **can never compete** in the girls division for the rest of the year. This includes Sectional and State competition.

Each league in Section One is eligible to send teams to Sectionals. To qualify, a team must achieve a minimum average of 875 for the boys and 650 for the girls. If a team wins their league title but does not reach the average requirement, they can still qualify. **Each bowler on the team must compete in a minimum of 6 matches during the regular bowling season in order to be eligible to bowl in Sectionals.** A team must have at least 5 bowlers, less than 5 bowlers, a score of "0" for each game or frame for the bowler not present.

Also, each league may send individual male bowlers with an average of 180 or better and individual females with an average of 140 or better. **All individuals must have bowled in 6 matches (18 games) during their team's regular season, along with any team participant.**

The school team (one boys and one girls) with the highest total pin fall of the 6 regular team games will be the overall champion and will represent Section One at the State Finals. Any ties will be decided by teams and/or individuals by rolling an extra 9th and 10th frame at the lanes.

Two boys teams (8) and two girls teams (8) will qualify for the State Finals Tournament. There will be a large school champion and a small school champion. Large schools have a BEDS number 600+ and the small schools must have a BEDS number of below 600. In addition, the top 6 qualifying bowlers both boys and girls will compete at States in the All Section event. If a boy or girl qualifies for both, the school team and the all-Section team, he or she must compete with the school team. The State Finals will be held in a city chosen by the State Chairpersons.

Section One follows eligibility rules as stated in the NYSPHSAA handbook and USBC Rule 100.

A contestant or team may participate in no more than 20 interschool bowling contests prior to participation in Sectional, intersectional (if applicable), Regional and State Championships, and Section approved Exceptional Senior Contests. USBC rules will be used for scoring purposes only with the exception of USBC Rule #100 pertaining to amateur status. Any violation of USBC Rule #100 will result in a one-year suspension from the date of the infraction, which mirrors the penalty for Eligibility Standard #2. No practice bowling will be allowed in the tournament house after 7:00pm of the day before the State or Sectional Championship. Violations of this rule will result in individual or team disqualification. It is recommended that all competitors be in uniform. The foul line rule shall never be set aside.

If a bowler is reprimanded for unsportsmanlike conduct he/she will be given a warning for the first offense, removed from the game on the second offense, and removed from the tournament for the third offense.

Bowling Averages

An athlete's individual competitions (matches/games) begin on the first team event of the season. Any tournament, match or league contest that an athlete competes during the bowling season while representing his/her team, counts towards that individual's end of season average. The coach is solely responsible for tracking this information and submitting as part of the sectional application.

SECTION ONE BOWLING RULES

For all Section 1 Leagues and Sectionals
(In Conjunction with NYS Bowling Rules, USBC Rules and Section 1)

Compiled by

Steve Luciana, Boys Bowling Chair

1. Each member of a High School Team must achieve team status (same as any other High School Team) as dictated by each individual High School. Each member must meet all High School eligibility requirements, by participating in at least six matches, 18 games minimum.
2. Female/Male Teams – A team consists of 5 (five) members, with a maximum of 8 (eight) (for sectional/state play). League competition may consist of 4 vs. 4 or 5 vs 5. A team of 1 can also occur.
3. Prize Money – A High School athlete is not allowed to accept **ANY** money from any adult sponsored league or tournament.

Scholarships – There are no limits on scholarship amounts. The scholarship must be held by the organization offering or administering the award, and must be paid directly to the accredited institution of higher learning.

4. A/B Teams – High Schools with multiple teams can enter as many teams into league play as they want. A High School can only enter 1 (one) team of up to 8 (eight) players for sectional play, and that team must be the Varsity “A” team. An athlete may not switch from a B to an A team once rosters have been established. A school may enter multiple teams in league play only (A & B varsity teams).
5. Youth/Adult Leagues – High School athletes shall be permitted to bowl in any youth/adult league as long as they are the established youth, and no form of pot games or gambling by adults occurs within the youth portion of the league.
6. Brackets – High School athletes are not permitted to participate in any side betting or brackets if money is the prize.
7. Pacing – High School athletes cannot pace or practice in any adult league or adult sponsored tournaments.
8. Handicap/Blind score – No handicap bowling in High School competition. All competition is scratch. Therefore, if an athlete is not present for a league or sectional competition, no blind score can be used. A zero is taken for that athlete on that date.

SECTION ONE BOWLING RULES (cont'd.)

9. Late rule – You cannot start a match without your opponent. If a team arrives late, you start at that time, and bowl as many of the 3 game match as you can. If you are not able to start and complete the third game due to the time (adult leagues beginning at 6:00pm, for example) than just the 3rd game must be completed at a future, agreed upon date and time.

Forfeit rule – If a team cannot attend due to school related concerns (such as a fight breaks out on the bus), a match can be forfeited *only* when agreed upon by both school's athletic directors. A forfeit will count towards league points but bowling scores do not count towards post season qualifying.

10. Rosters – An athlete can be added to a team roster at any time during the season. Only 8 athletes, with at least 18 games/6 matches during the season are eligible for the post season (sectionals)
11. Pre-Bowled /Bowling Out – Pre bowled games are not allowed, along with bowling out prior to the end of the final frame of competition
12. USBC Membership to the High School League is not necessary. It is encouraged that all leagues complete the USBC high school division sanction. It is governed by the NYS Public High School Athletic Association.
13. Substitutes – A substitute can occur for any bowler at the end of a completed game. If in the case of injury an athlete cannot continue, both bowling coaches must agree that a substitute will be allowed to finish out the game.
14. Tie in league standing – In case of a tie in league standings, the following tie breaking criteria will occur: A 3 game roll off will occur (all 5 bowlers), unless maximum number of games/contests (20) have been achieved by one of the teams. If that is the case, then head to head total pins that occurred while competing against each other during the season will determine standings.
15. Foul Line – The foul lights must be in operation for any league or sectional play. If the foul light occurs, a zero score is counted for that delivery. *There will be no exception to this rule.* If an intentional foul occurs, the player shall receive a zero pin-fall for that delivery and **SHALL NOT** be allowed any further deliveries in that frame.

SECTION ONE BOWLING RULES (cont'd.)

16. Attire for League/Sectionals – Attire for league participation will be recommended by league officers. For sectional play, each team should be dressed in the following:
- Matching slacks
 - Matching shirts
 - No jeans or hats will be allowed at league or sectional play.
 - Clothing that depicts foul language or gestures is unacceptable.
17. Language, Jewelry, etc. – Section One policy states that jewelry is not to be worn during competition. Using foul language or gestures, **WILL NOT** be tolerated.
18. Tobacco Products/Alcohol – The use of any tobacco product is not permitted by athletes or fans during any league or sectional play. Alcohol will not be served in the bowling center during league or sectional bowl.
19. Video Games – Playing coin operated amusement devices is not acceptable during league or sectional play.
20. Awards – Each league champion will be given a league champion plaque for their school. *All League* award – Each bowling league coach will choose 10 boys and 10 girls from each league to receive the “All League” plaque. This award is obtained through each school’s athletic department. *All Section* Award – 14 boys and 14 girls will receive this plaque at the sectional championships. This award will go to the highest 14 averages across all of the bowling leagues, based on a minimum of 30 games.
21. Sectionals/States – To qualify for sectionals, the following must occur:
- Boys Team Event – An 875 average for at least six (6) matches. Average based on the team’s top five (5) bowlers.
 - Girls Team Event – A 650 average for at least six (6) matches. Average based on the team’s top five (5) bowlers.
 - Individual Boys Event – A 180 average for at least six (6) matches.
 - Individual Girls Event – A 140 average for at least six (6) matches.
 - League Champions automatically qualify.
 - Top 2 Small Schools in each league will qualify.

SECTION ONE BOWLING RULES (cont'd.)

*Boys/Girls who do not qualify for the State Team Finals (non team winners), may qualify as the All Section Team. This team is comprised of the top 3 scores at the sectional finals (except the team champion) and 3 athletes are chosen from league competition. The top 3 averages during the league season, based on a minimum of 30 games. Sectionals – the top boy's & girl's 6 game team total will represent Section 1 at the state finals as our team representative.

22. Bowling Coaches/Fans (Settee Area) – A licensed coach is permitted on the settee area during league or sectional play. This coach must be in bowling shoes. All spectators must be behind the settee area. It is recommended that fans **DO NOT** have contact with athletes during competition. Athletes must stay in the settee area during competition.
23. Courtesy Lane – There will be a one (1) lane courtesy during all league and sectional competition.
24. AED's – An AED (DEFIBRILLATOR) must be present **AT ALL** bowling matches. It is each high school's responsibility to see that an AED and a trained staff member are present at each match. An AED and staff member will be available at Sectionals.

SCHOOL RESPONSIBILITIES

Schools participating in the Section One Tournament must:

1. Notify the Section Chairperson prior to participating in the Section One Tournament.
2. Furnish transportation to and from the tournament site.
3. Arrive at the site no later than one half hour before the scheduled tournament. No team is allowed to practice on the lanes on the day of the tournament. Teams cannot practice past 7:00pm, the night before the Sectional Tournament.
4. Be responsible for the behavior of all persons on their team, representatives of their school, fans and parents.
5. Provide a certified board appointed coach for the tournament.

PROTESTS

All protests during the Section One Tournament must be presented to the Section Chairperson, or his/her representative, prior to the completion of the tournament. Members of the Bowling Committee will hear all evidence of the protest and render a decision prior to announcing the tournament champions.

SEEDING

Lane assignments for the morning and afternoon sessions will be seeded.

Afternoon Session results are based according to morning scores (1 bowls 2; 3 bowls 4, etc.)

STATE FINALS QUALIFYING

The winning team from the Sectional Finals Tournament (2 boys' teams and 2 girls' teams) will represent Section 1 at the State Finals. The All Sectional Team will be chosen in the following fashion: The top 3 boys and the top 3 girls bowling averages, based on a minimum of 30 games during the season, will automatically qualify those individuals for the Section 1 All Section Team. At the Sectional Finals Individual Tournament, the top 3 boys and top 3 girls 6 game total scores will fill out the remaining spots on the All Sectional Team. If an individual qualifies for both the State Finals team event and the All Section Team, that individual will represent his school team, and the next athlete based on the Sectional Individual 6 Finals 6 game block total scores, will be chosen.

All Section Team Coach

The boys All Section team coach and the girls All Section team coach will be appointed by the Section 1 bowling Committee, prior to the sectional finals tournament.
