## **FALL GIRLS SOCCER**

### **RULES FOR PENALTY KICKS**

If the score remains tied after the completion of all prescribed over-time periods, all coaches, officials and team captains shall assemble at the halfway line to review the procedure as outlined below:

- a. The head referee shall choose the goal at which all of the penalty kicks shall be taken.
- b. Each coach will select any five players, including the goalkeeper, on or off the field (except those who may have been disqualified) to take the penalty kicks.
- c. A coin toss shall be held. The team winning the toss shall have the choice of kicking first or second.
- d. Teams will alternate kickers. There is no follow-up on the kick.
- e. Following five kicks for each team, the team scoring on the greatest number of these kicks shall be declared the winner.
- f. Add one goal to the winning team's score and credit the team with a victory. An asterisk (\*) may be placed by the team advancing to indicate the advance was the result of a tiebreaker system.

If the score remains tied after each team has had five penalty kicks:

- a. Each coach will select five different players than the first five who already have kicked to take the penalty kicks in a sudden victory situation, wherein, if one team scored and the other team does not score, the game is ended without more kicks being taken.
- b. If the score remains tied, continue the sudden victory penalty kicks with the coach selecting any five players to take the next set of alternating penalty kicks. IF a tie still remains, repeat the above process (a).

NOTE: The above penalty kick rules apply for both Sectional and Regional games.
