## **YELLOW CARD POLICY DURING THE SEASON**

It is the intention of the NYSPHSAA to address the issue of the accumulation of Yellow Cards during the soccer season by an individual player or coach. The situations surrounding Red Cards are dealt with directly under the NYSPHSAA Guidelines for Sportsmanship and Misconducts outlined in the State Handbook for all sports.

The consequences for the accumulation of excessive Yellow Cards will be as follows:

1. Three Yellow Cards accumulated by a single player or a coach in the regular season will result in a one game suspension. Disqualifications due to an accumulation of three yellow cards occurring in the last game of the season will carry over to the next participating season that the athlete partakes in.
2. The continued accumulation of Yellow Cards by the same individual (player or coach) will result in a one game suspension per additional Yellow Card. On the fifth yellow card, the athlete will sit for two games. The sixth yellow card and/or a third red card will result in a forfeiture of the rest of the season's games including the post-season.
3. In the event that the player or coach receives two Yellow Cards in the same game, resulting in a Red Card, the two Yellow Cards will not count toward the season total, since the individual will receive a one game suspension as a result of the misconduct and ejection.
4. The accumulation card total is for regular season play only and the process will start over again for post-season play. However, any penalties awarded as a result of the last regular season game will carry over into the post season.
5. The post-season policy will provide a one game suspension after three Yellow Cards and a one game suspension for each additional card received through the State Final.
6. The coaches, or athletic directors, of both schools are to report all Yellow Cards to their League and Section by means of Mail, E-mail or Fax for tabulation. The officials should report to their boards concerning games in which cards are given and the reasons for issuance of the card.
7. Refusing to report, or failing to report infractions and allowing a player or a coach to continue play under these circumstances will result in the forfeiture of all games in which the individual in question participated.

## **GENERAL PROCEDURES FOR RUNNING SECTIONAL SOCCER MATCHES**

1. All soccer schools in Section One are expected to keep their facilities available for Sectional play until the completion of the Section One Soccer Tournament
2. The home team (higher seeded team) will wear white, and visiting team will wear their colors.
3. The winning coach shall call Matthew Allen (914) 329-2864 9:30pm on the night the game was played.
4. The Official Spaulding TF-5000 ball must be used during all sectional contests.
5. The procedure for extra time games in the Sectional Tournament:
  - a. Two 15-minute, **sudden victory** halves will be played.
  - b. If still tied, proceed to penalty kicks. (In the finals, both teams declared co-champions of the Section One Tournament and shake hands. Proceed to penalty kicks to determine team advancement into the state tournament).
  - c. Each coach will select any five players, on or off the field, except those who have been disqualified. The team winning the coin toss may opt to kick first or second. Following five kicks for each team, the team scoring on the greatest number of these kicks shall be declared the winner.
  - d. If the score remains tied, each coach will select five different players to take kicks in a sudden victory situation. If five additional players are not available (injury, disqualification), all players who did not participate in the first set of kicks must be used. The coach may then choose additional kickers from the first set of five. Sudden victory continues until a winner is produced.
  - e. If the score is still tied after the second set of PKs, the coach may select ANY 5 players for the third set (i.e. kicker #10 and #11 could be the same player) Sudden victory still applies.
  - f. Under two minutes in the game, the official time is kept on the field by the officials. The scoreboard should be shut off.
6. For a home game, the host school is responsible for:
  - a. Chaperones
  - b. Score table and horn
  - c. Game balls, corner flags
  - d. Lined team areas as specified in handbook
  - e. Spectator separation from playing surface and teams (min 10 ft.)
7. Referee will keep the clock on the field until the final round. Then the Section will provide a timekeeper.
8. A player ejected from a game during the Section One Soccer Tournament will be suspended from the following Sectional or Intersectional contest if the team advances.
9. If a score exceeds a 10-goal difference in the second half, the game shall be terminated and the team ahead declared the winner. NOTE: One full half must be played for a game to be official.

There is a change this year and the form will now be able to be updated throughout the season. You will need to name it as a file upon updating. This filename will be needed to re-access your results for updating. It is important that you write down your file name and keep it in a safe place. There is no way for us to retrieve this information and you will have to start from scratch if you cannot recall your information.

2. AD's will still need to enter scores into Sportspak for cross reference.

*There are 2 Indexes: One to Make the Playoffs and One to Determine Seeding*

**TO MAKE PLAYOFFS YOU MUST EARN 26 TOTAL POINTS:**

1. Total Points Earned (Be Sure to Include Wins/Ties from Outside Section 1/ Federation)
  - a. Wins Count as 4 points, Ties Count as 2 Points, Losses count as 0 points
2. Add Bonus Points Earned (No Bonus Points awarded for playing outside SCT 1/Federation)
