

Principal's Log 2.16

Dear TMS families,

I wish to take this opportunity to wish you health, peace, and happiness during the holiday season from my family to yours. I hope that the new year brings you all of the blessings of friends and family. The children have worked very hard since September and they deserve this chance to recharge. Recently, I attended both winter concerts and was reminded of the power of music to shift our perspective to the important things in life. These were joyous events and I am so proud of our performers and teachers. As we embark on this much deserved holiday, I am looking forward to 2020 and beyond.

My very best,

Gregory Stiefel
