Dear Tuckahoe Middle School Parents and Guardians,

Students are finishing up their first full week of the new year and getting back into school routines.

In the next few weeks we will continue to help our students make well informed and healthy decisions about interactions with their peers and about electronic cigarettes and vaporizers. Next Friday, January 19th, a representative from the Assistant District Attorney's Office will be presenting information to all TMS students about treatment of peers and internet safety. In early February, we will have the Maxwell Institute meet with our students to specifically discuss the dangers associated with vaporizers and other substances.

On Tuesday, January 16th, the Tuckahoe Middle School students will be participating in the National History Bee in their Social Studies classes. They will be taking an online exam that can potentially qualify them for a regional tournament. The exam will consist of questions from both United States and World History. This is an exciting opportunity for our students and we wish them the best of luck!

The second marking period will end on January 26th. If you have not done so already, please log into the parent portal to view your child's current performance. Report cards for the second marking period will be available in early February. Details will follow as we get closer to the end of the marking period.

Upcoming events:

January 15 - School Closed, Martin Luther King Day Observed

January 19 - Assistant District Attorney's Office presents Bullying, Cyberbullying, Internet Safety - Grade level assemblies during the school day.

January 26 - Last day of Quarter 2

January 26 - Algebra I Midterm exam - 8th grade students in the Algebra I course, periods 1-3
