Dear Tuckahoe Middle School Parents and Guardians,

Many students successfully completed the first round of NYS testing this week. NYS Mathematics Testing will continue on May 1 and 2. We will follow the same procedures as outlined in previous weekly newsletters.

I will be hosting two meetings to review plans for the 7th grade Boston trip with all interested parents on April 26th. Times and location are below.

Thanks to the Student Government's Pennies for Patients initiative, the TMS community raised and donated over \$1,800 to the Leukemia and Lymphoma Society. Congratulations and thank you to all who contributed.

Although the school sent out a media opt out form in its summer packet and maintains those responses in the main office, the district has recently re-launched its Facebook page and plans to feature images from school events, etc. on it. If you would like to opt-out your child, please contact the main office for a form.

All students are invited to participate in Autism Awareness month by wearing blue on April 20, 2018.

Upcoming events:

April 13 (Tonight) - PTA Spring Social

April 20 - Wear Blue for Autism Awareness

April 23 - Last day to order yearbooks
