Dear Tuckahoe Families,

Every year TMS teachers offer a variety of clubs to enrich the school program and provide students with an opportunity to explore their passions. This year is no different. On Oct 3, during period 5 we held our annual club fair to inform students of the opportunities. Many students signed up during the fair! Interest was high. Students may also attend a session and sign up with the advisor. I am grateful to all who make these wonderful extra-curricular options possible.

Have a wonderful weekend.
