Honors Criteria

Middle School Transition to Grade 9:

In order to enroll in the Grade 9 THS Honors Program, the student must have a 90% average in the respective subject in the Middle School subject area and must be recommended by his/her Middle School teacher in that subject area. There is no waive-in process from Grade 8 to Grade 9.

For scheduling purposes, guidance will use the average at the end of the 3rd marking period in Grade 8, for THS Honors placement. The 8th grade student's performance will be reassessed at the end of the year to assure the criteria are met.

High School:

Students already enrolled in the THS Regents Program must have a 90% average with their respective teacher's recommendation in order to enroll in an Honor's course.

THS students who are already enrolled in an Honor's course must maintain an 85% average for the year in order to re-enroll in the Honors Program at the next level.

Students Not Meeting the Grade Criteria:

Honors High school students who do not meet the grade criteria but wish to participate in an Honors course at THS may do so under the following conditions:

- A. The students and his/her parent must meet with their respective high school guidance counselor to understand the expectations of the Honors Program.
- B. The Principal must review and approve the request.
- C. The parents of the student will need to sign a waiver form demonstrating they understand the risks and rigors regarding enrolling their child in the honors course.
- D. The student must have achieved an 80%-85% average in previous honors courses; 85% or above in a regents course.
- E. The student must complete a research paper of Honors quality of at least 4 pages on a topic in the respective discipline.
 1. *Social Studies Honors Research Paper*: provide an in-depth analysis on the differing role that government played in the lives of citizens from 1860 to 1960.
