FAX (985) 475-6623**

8/16/2018

Golden Meadow Middle School is growing. Due to increasing enrollment with concerns to accommodate our parents and parking, we have scheduled two open house events:

- 6th Grade August 23 from 6pm-7:30pm
- 7th and 8th Grade August 30th from 6pm-7:30pm

School climate, safety, PBIS along with a strong academic program should lead our school to success. I look forward to building a school and community relationship that propels GMMS to become an “A” rated school from our “B” rating. My vision is to help our students become life-long learners that can solve problems in this every changing technical world. Our school moto is to “Expect the Best!” Please feel free to call the school for any assistance in making your child have a successful school year. I look forward to meeting you at our school’s many events.

With Best Regards,

Mr. Melancon
Principal GMMS
