Virtual Learning-Edgenuity

Mrs. Lesley Terrebonne, Teacher

Dear Parents and Caregivers,

This letter is to inform you that your child will now complete their curriculum as of Nov. 2, 2020 virtually via “**Edgenuity.**” Mrs. Terrebonne, will be the teacher that will monitor and be your reference for any questions pertaining to the program. Since your child will be working with **Edgenuity**, the following will pertain to your child:

- They will no longer sign into Google Classroom to complete their attendance/coursework. (Unless they are enrolled in STUDY SKILLS, BAND, ART, CHOIR, and/or Keyboarding.) \*see below
- I will create a Google Classroom for Edgenuity students so I can keep a line of communication open and there would be an easier way to attend Google Meets as needed.
- Students are only responsible for the work in each course assigned on **Edgenuity**. (Unless they are currently enrolled in STUDY SKILLS, BAND, CHOIR, and/or Keyboarding.) \*see below
- Grades will be given on the work in each course on **Edgenuity**.
- I will be available after school for questions and scheduled Google Meets. This time frame is from 3:00-3:30.
- The grading scale is the same as in your child’s courses. (A: 100-93/ B: 92-85/ C: 84--75/ D: 74-67/ F: 66-0)
- There will be start and end dates for all work. Students must adhere to dates.
- The E2020  website can be accessed from the LPSD Homepage under the Student Resources tab or this hyperlink: <https://auth.edgenuity.com/Login/Login/Student>

I will have our first Google meet on Monday, November 2 at 3:00 to answer/discuss the program and to answer any questions. Google Meet will be done via Google Classroom.

Your child’s username is their 7 digit number and their password is LPSD in caps and their 4 digit number. The first time your child logs on, there will be an orientation video for them to watch.

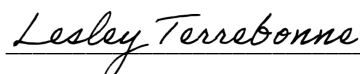

**If you are in Study Skills, Art, Band, and/or Keyboarding, you will still be responsible for that teacher’s work/assignments on Google Classroom.**

You may reach me at GMMS by leaving a message with the office, sending a message via our Google Classroom page, or via email at [ltterrebonne@mylpsd.com](mailto:ltterrebonne@mylpsd.com). Thank you in advance for your cooperation and I look forward to helping your child navigate through Edgenuity to achieve their highest potential.

Sincerely,

H. Melancon, Principal

L. Terrebonne, Edgenuity Teacher
