

The app that helps kids love math!

- ★ Flamingos, pillow forts, chocolate chips... math that's fun for the whole family.
- ★ No scores, no stress. Read the story aloud, then solve for the answers together.
- ★ Just 5 minutes a day at bedtime, bathtime, anytime.

It's nothing like school!

**One of Our Favorites:
The 10-Second Rule**

WEE ONES What shape are those corn puffs?

LITTLE KIDS If you grab 6 corn puffs off the floor in time, and your dog grabs 2, how many do you save together?

BIG KIDS If you can't eat the corn puff after 10 seconds on the floor, how late are you if you dropped it 30 seconds ago?

Answers: A circle, or in 3D, a sphere; 8 corn puffs; 20 seconds late.

Doing Bedtime Math at home helps kids at school!

University of Chicago found kids' math skills improved by 3 months in one school year.

With a few clicks, it's easy to download!

1. Download the **Bedtime Math app** for iPhone/iPad on the **App Store**, or for Android on **Google Play**.

Open the app and click **Community Edition**.

Enter your special code: **NYC**.

Select your **school district (31)** and **school name**, and click Submit.
