Valentine's Day Grams

Toni Marie Edwards, Co-President

Send a Valentine's Day Gram to someone you love!

How it works:

- Parents, guardians and family members can send it to students or staff and/or students can send it to other students or staff.
- A Valentine's Day Gram (VDG) is one "Smencil" (a scented pencil) accompanied by one message of your choice below.

(*Please note: Smencil flavor will be chosen randomly-unfortunately, we cannot accommodate requests)

- Each Valentine's Day Gram costs \$1.

Please submit \$1 and one cut out and completed message per Valentine's Day Gram ordered in an envelope labeled Attn: PTA VDG.

- All orders **MUST** be submitted by Thursday, February 7, 2019.
- The Valentine's Day Grams will be delivered to the student's classrooms on Thursday-February 14, 2019.
