Celebrations:

- Staff doing a wonderful job on Google classroom; Teachers and staff embraced the remote learning; ASD supervisor asked for a review how the teachers are working with our students; teachers right on board and new ideas adding each week.
- Two kinds of teaching synchronism and non-synchronies; teaching using tools, live interaction, power points with voice over, small group instruction; we have come far along in the past few weeks
- Anita's son got into Townsend Harris
- Bengali Celebration
- Devices given to students and families; most from school; some from DOE
- Improvement in parents understanding of the classroom over the last few weeks
- Video from staff was awesome; School song on the webpage
- Attendance page is nice that students are asked how they are feeling and if they need to talk to someone
- Mirreles had her baby!

Covid-19 Update

- Families and staff members who have been infected; Some have healed and some are still in quarantined; situations for each family looks different for each family dealing with this;
- Policies being made by UFT through the policies of the state and city
- School is remote until further notice
- Standards based promotion policy is not finalized; If you don't get promoted there is quite a possibility of summer school; offer remote learning over the summer; hybrid of summer school is a possibility. Horizon summer is school is extra in the budget and related
- When we find out if staff, student and/ or family members there is an excel sheet; Coniglio contacts the families and teachers; Crisis team has developed a draft for a support system for the families, staff and students.

Google Classroom

- The attendance forms are on each class page and students are expected to fill that out
- The activity is important for each student to be engaged especially since it will affect the grading policy
- Teachers are active daily and live streaming; Students are active and learning to meet with the service providers and teachers
- Most of our Google Classroom updates are in our Celebrations!

Parent Association Update

- Talent show – can we have one?
- Elections- How will elections work
- 8th grade step up ceremony and Pre-K step up possibilities
- Yearbooks are being produced; we will change the way that the yearbook is ordered

yearbook@psms219.org

CEP 20-21

We will have more info next Wednesday

Most likely our goals won't change and we will share our guidance from the district at next meeting

NJHS

- Guidance from headquarters to see what we need to do; we are hoping for a ceremony and swag; we are waiting to hear about service hours; NJHS dues for the students are \$20 per person. 30 candidates that we would welcome into the chapter; request for PA to help pay for the dues. Hopefully by next week we will be able to send letters of induction

Dates and Agenda for Next meeting

- May 12, May 26, June 2 and June 16 (Tuesdays at 3:50pm)
- SLT elections, CEP goals, budget 20-21, Title One elections, grading policy, Summer updates, grading policy, PA elections, google classroom updates, celebrations be more specific for next meeting
